WELCOME TO HELSINKI, PORVOO AND NUUKSIO

Nuukio, spectacular wilderness area right next to Helsinki and it is in many ways one of Finland's most important nature sites. In the forests and gorges of Nuukio you can't get enough of nature. People have been in Nuukio for thousands of years as the ancient rock paintings, like the one shaped like an elk by the lake Pitkäjärvi, let us understand. **Porvoo** is the second oldest city in Finland, founded nearly 800 years ago, and best known for its unique Old Town district, high quality restaurants and charming cafés
